

Principal's Message

As we step into the final month of the school year, June brings a wonderful opportunity to reflect on the incredible growth and progress students have made. It's been a joy to witness their learning journeys, and we are deeply grateful for the unwavering support of our families throughout the year. We're especially excited to invite everyone to our Elementary Student Showcase on June 4 — a celebration of creativity and achievement where all members of our community are welcome to come and view student work. We're also looking forward to our year-end family celebration, generously hosted by our amazing PAC! We are also thrilled to have the chance to honour our graduates as they prepare for their next chapter. A reminder to all Grade 9–11 students: if you're interested in taking a summer learning course, now is the time to register!

Student Spotlights

Kudos to Grade 12 student Kaylee Peters for earning a District Project Scholarship with her impressive CNC Machining project. Throughout her work, Kaylee gained expertise in programming, operating, and maintaining CNC machines, including mastering G-code, CAD/CAM software, tool selection, and machine safety. Well done, Kaylee! Your cribbage boards were exceptional, and your future in machining looks promising!

We also applaud Tylee Carr, another Grade 12 student, for making it to the BC Ski Team. This elite development program focuses on elevating BC alpine skiers to the Canadian Alpine Ski Team, offering training and competitive opportunities aimed at preparing athletes for World Cup events. We're excited to see Tylee race on the world stage.

Golf Academy

Congratulations to Golf academy student Ellie Jensen (Grade 11), who clinched the Overall Women's Amateur Championship at the end of May with an impressive two-day score of 2-under par, securing a remarkable 6-shot victory!

Vernon Pride Week

Vernon Pride Week is taking place June 2 - 8. Pride month is more than just a celebration. It's a powerful acknowledgment of the LGBTQ+ community's history, resilience, and ongoing fight for equality. It serves as a reminder of the struggles faced by LGBTQ+ individuals, and their current battles for rights and recognition. Please see here for all of the wonderful community activities taking place <https://vernonpride.ca/vernon-pride-week/>

WAYS TO SUPPORT VLEARN PAC!

Did you know?....

That **Nature's Fair** has a 3% program for non profit Organizations! All you have to do is bring us (the PAC) this year's receipts! We received around \$2,000.00 last year just from submitting receipts!! The funds are used to support Students, Families, The School, and Extracurricular activities.

The **Butcher Boys** grocery receipts award us with a \$50.00 gift card for every \$5,000.00 spent before taxes!

We live in such an amazing community willing to help our children thrive! All we have to do is collect the receipts and place them in the Receipt box located by the administration desk at Fulton!

JUST IN!!

If you want to support our vLearn Pac and look great doing it! Nicole Chou & Amber Yawney have been working together to create this fantastic opportunity with **Okanagan Gift Co.** These amazing vLearn moms have been creating and designing beautiful T-shirts for the vLearn families. All you have to do is use this LINK: [Homeschooling](#) and choose your design. The T-shirts cost \$30.00 and the PAC receives \$6.00 for every T-shirt purchased! This money goes towards the vLearn activities planned/organized by PAC!
