OVERVIEW

The Big Ideas, Content, and Curricular Competencies for this course can be found here: [Sport Development Curriculum](#)

BIG IDEAS

Movement awareness and skill development enhance physical literacy and learning potential.	Technical and tactical development are an essential part of sport specific training.	Improved strength and conditioning support athletic development.	Sport training enhances the understanding and appreciation of the health benefits of physical activity.	Sport cultures value and encourage positive communication, fair play, leadership and teamwork in athletes.
--	--	--	---	--

The Golf Academy is a dedicated training academy operating in partnership with School District No.22 and VLearn with aims to provide extensive Golf skill instruction alongside SD22 academic education program. The program provides students with a physical education in Sport Development while gaining credits through sport specific training and skill development. The Golf Academy focuses on providing students opportunities to develop both Golf specific skills and training alongside Sport Development Education that meets the requirement of The BC Education Curriculum and in preparation for SD22's Board Approved Courses for Sport Development 10,11 and 12.

Students/Athletes receive a Physical & Health Education 08 course along with this golf specific course taking the academy. Both courses are supported by vLearn.

ASSESSMENT

Assignments	Discussion Forums	Reflecting and Planning	Self-Assessments	On Field Evaluations
-------------	-------------------	-------------------------	------------------	----------------------

Student growth and progress will be shared and communicated using the Provincial Proficiency Scale.

	EMERGING	DEVELOPING	PROFICIENT	EXTENDING
The Provincial Proficiency Scale	The student demonstrates an initial understanding of the concepts and competencies relevant to the expected learning.	The student demonstrates a partial understanding of the concepts and competencies relevant to the expected learning.
