

## Administrator's Message

January has passed by in a blur as our school community has been incredibly busy. As second semester comes to a close, we are saying goodbye to many students who participated in our first semester academies in dance, hockey, volleyball, soccer, and alpine, freestyle, and nordic skiing. We are grateful for the energy and enthusiasm these students brought to vLearn, and we look forward to welcoming our EarthQuest and Golf Academy students as they join us for second semester. If your child would like to participate in an academy program next year, please make sure you complete the Expression of Interest before spring break. More information on academies can be found here: <https://www.sd22.bc.ca/academies>

Winter has also offered many opportunities for vLearn students to enjoy the outdoors through downhill skiing and snowboarding, snowshoeing, and skating. These activities bring joy and adventure while reminding us of the importance of connecting with nature in every season. Time spent outside, whether gliding across the ice or exploring snowy trails, helps support physical, mental, and emotional well being and encourages students to build confidence, resilience, and a sense of community.

On our recent professional development day, vLearn staff dedicated their time to volunteering at Gleaners, helping support food security efforts across our community. This hands-on experience not only strengthened our team bond but also reminded us of the importance of giving back. Contributing our time and energy to a local organization reinforces the values we hope to model for our students: service, compassion, and community responsibility. We are grateful for the opportunity to support such meaningful work.

## Building Connections for Grades 10 – 12

Teacher Julie Draht welcomes all Grade 10–12 vLearn students to an open drop-in session at the school every Monday from 11:30 am – 1:00 pm.

For many online learners, having regular in-person opportunities to connect with peers is an essential part of building confidence, belonging, and community. These Monday sessions give senior students a chance to socialize, collaborate, and strengthen their learning network in a relaxed, supportive environment. We would love to see your student join! Connect with Julie Draht [jdraht@sd22.bc.ca](mailto:jdraht@sd22.bc.ca) if you would like more information.

## Grade 8 – 12 Learning Updates

Term 2 Learning Updates will be released on February 4. Please take time to review these learning updates with your child.

Please note that grades will not be reported for any courses where the student has completed less than 40% of the course material.

For a detailed and current overview of student progress and course-specific feedback, students can refer to the ASSESSMENTS/GRADES menu in their D2L Brightspace course.

Parents can view a summary of a student's progress in any course, including up-to-date grades and final course marks, by accessing the parent portal (<https://register.vlearn.ca/parent#/>) using the student's PEN (Provincial Education Number) and date of birth. For questions specific to a course or grade, please contact your teacher.

## Field Trips (K – 12)

Please remember to sign up for field trips in advance and complete any required waivers before the deadline. Unfortunately, we aren't able to accommodate last-minute additions. Submitting forms on time helps us ensure accurate supervision and keep all students safe. Thank you for your support!

We love parent volunteers! If you hope to volunteer on a field trip, you will need to have a current Criminal Record Check on file with the school. You can complete it here:  
<https://justice.gov.bc.ca/eCRC/> Access Code: 8DKFWJBGE

## Second Semester Courses (Grades 10 – 12)

First semester courses should now be complete and second semester courses have been added for students. Please let us know if any further changes are needed or if you want to touch base regarding your child's graduation plan.

## GREAT OPPORTUNITIES!

## WAYS TO SUPPORT VLEARN PAC!

\*All you have to do is collect your receipts from Nature's Fare, and Butcher Boys, bring them to the scheduled PAC meetings and hand them to one of the Executive PAC members or you can place them into the receipt box located by the administration desk at Fulton! The funds raised by the collection of receipts are used to support students, families, the school, and extra-curricular activities.

Another way to support our vLearn Pac and look great doing it! All you have to do is use this LINK: [Homeschooling](#) and it will direct you to the Okanagan Gift Co. and choose your design. \$6.00 for every T-shirt/sweatshirt purchased goes towards the vLearn activities planned and organized by PAC!
