OVERVIEW

The Big Ideas, Content, and Curricular Competencies for this course can be found here: [Photography 11](#)

Big Ideas

[Photography](#) is a unique art form that captures images in a variety of contexts.

Photography reflects the interconnectedness of the individual, community, history, and society.

Growth as a photographer is dependent on perseverance, resilience, and reflection.

Artistic expression is an artist's physical and cognitive articulation of our [humanity](#).

Photography 11 is a deeper dive into photography as a medium of communication and creativity. This course will explore artistic expression and expand on professional techniques for capturing moments in time. You will explore capturing and categorizing a wide variety of images that reflect artistic integrity and visual communication. Becoming more comfortable with the tools of shooting, editing and presenting photos will be the goal of this course.
